

ABOUT THE SPECIALIST CONT.

Dr Brown was a founding member of the Australian Orthopaedic Foot and Ankle Society and is currently the Secretary. He has been involved in the organisation and teaching of the Australian Orthopaedic Foot and Ankle Associations' Complete Foot Care Course as well as presenting at the annual Scientific Meetings of the Australian Orthopaedic Foot and Ankle Society, the Australian Orthopaedic Association, and the International Society of Prosthetics and Orthotics. He is also a member of the American Orthopaedic Foot and Ankle Society.

Dr Brown works as a Consultant at the Modbury Public Hospital and convenes the Problem Foot and Ankle Clinic which was the first formal dedicated Foot and Ankle Clinic of its type in South Australia.

He also assists at the Complex Foot Clinic at the Queen Elizabeth Hospital.

Dr Brown is a Member of the Torrens Orthopaedic Associates.

Dr Brown also provides a country / rural orthopaedic programme to the Adelaide Hills .

In private, he operates at Calvary Hospital in North Adelaide and the Stirling Districts Hospital in the Adelaide Hills.

**Specialising in Disorders of the Lower Limb and Foot and
Ankle Problems.**

Management of the Degenerative Hip and Knee.

Christopher H. Brown

Orthopaedic Surgeon

Specialising in Disorders of the Lower Limb and Foot and Ankle Problems

ABOUT THE PRACTICE

Dr Brown's Orthopaedic Clinic is committed to excellence in the diagnosis and treatment of Adult Lower Limb and Foot and Ankle Problems.

We see all varieties of Foot and Ankle problems such as:

- fractures
- sporting injuries
- arthritis
- bunions, corns and toe deformity.
- neuromas
- heel and arch pain.

In addition, management of degenerative conditions of the Hip and Knee are undertaken.

Consultation is by prior appointment.

Every attempt is made to run on time.

Sometimes diagnosis will require further investigations. Dr Brown will make arrangements for these.

Treatment is based on sound orthopaedic principles often combined with the most recent developments from overseas and Australia.

ABOUT THE FEES

The Fees charged for Private Patients are below those recommended by the AMA (Australian Medical Association). All surgical and hospital fees are discussed with the patients prior to surgery.

Details of costs for self paying patients are available. Many procedures approximate the cost of only 1 years Private Health Fund subscription.

ABOUT THE SPECIALIST

Dr Brown is an Orthopaedic Surgeon who specialises in the management of Lower Limb problems especially those of the Foot and Ankle.

He graduated from Medical School (University of Adelaide) in 1977 then undertook a further ten years of surgical training including training at the University of Ottawa and the Magill University of Montreal, obtaining the Fellowships of the Royal College of Surgeons of Canada (Orthopaedic Surgery) in 1984 and Royal Australasian College Of Surgeons (Orthopaedic Surgery) in 1987.

Dr Brown has attended the American Orthopaedic Foot and Ankle Society Comprehensive Course and has regularly attended the Advanced Foot Courses and Annual Meetings run by the American Orthopaedic Foot and Ankle Society.
