Dear Patient,

Welcome to Midwest Orthopaedics, P.A.

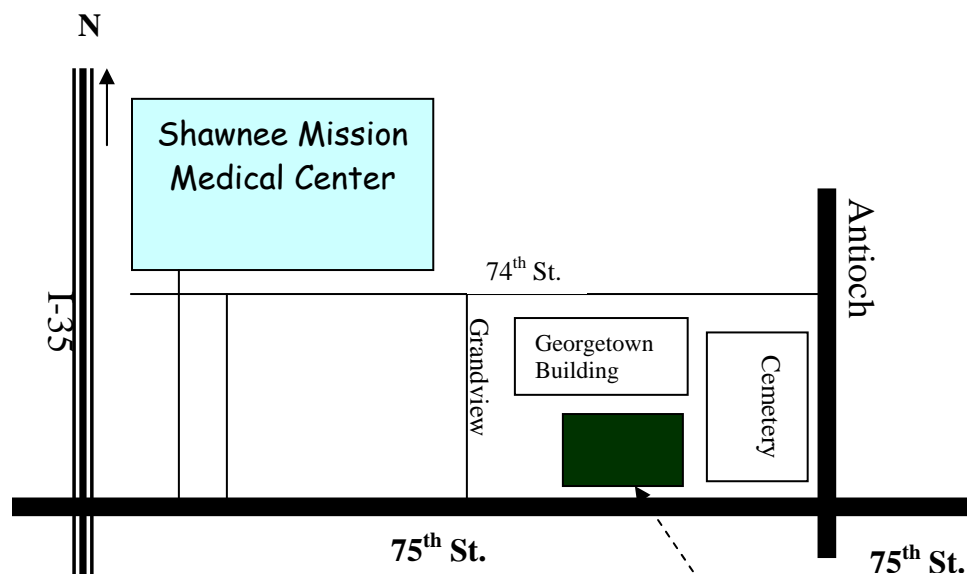

Enclosed are the patient information forms for your care at Midwest Orthopaedics. Please have your patient information forms **completed** and bring them with you to your appointment.

If you are coming to our main office, there is a map of the location below. We are in the Antioch Hills Medical Building in Suite 350. If you are coming to our Saint Luke's South location, we will enclose a map of that location for you. You can also view maps for both locations on our web site: www.midwest-orthopaedics.com.

Please also review and sign our financial policy. If your insurance requires a referral, we will need that referral prior to being seen. If any x-rays have been taken, please bring those as well. X-Rays taken at Shawnee Mission Medical Center can be viewed on line.

Please feel free to call us with any questions. We are looking forward to seeing you.

Sincerely,
Midwest Orthopaedics, P.A.
