ORTHOPAEDIC ASSOCIATES
of KENTUCKIANA, P.L.L.C.

3605 Northgate Court, Suite 202, New Albany, Indiana 47150

Dear Patient:

Welcome to the practice. We are honored that you have chosen us for your care, and we are committed to providing you with the best care we can. Our hope is that we form a partnership to keep you as healthy as possible, no matter what your current state of health. We will share our medical expertise with you, and we hope you'll take responsibility for working toward the healthy lifestyle that is so important to your well-being.

You trust us to care for the most important thing you have- your health. At Orthopaedic Associates we are dedicated to providing the best in orthopedic care to people from all walks of life and all ages. We want help you regain the ability to choose your own activities. The team approach to helping you heal from your orthopedic problem is the key to our method. Years of experience with patients who have sports injuries, accidents, fractures, or the effects of aging have allowed us to develop a customized solution to your problem. While many patients are best treated without surgery, rest assured, if surgery is needed, we have the experience to help you be the best you can be. Our extensive experience, particularly in shoulder surgery and knee surgery, is to your benefit.

While we enjoy spending time with you, there are a few housekeeping notes to help decrease the length of time you spend at the office:

1. Bring all of your health insurance cards (we will ask for them at every visit).
2. Have photo identification (current driver's license, employee badge or military identification card) or two forms of alternate identification that includes your name and address (such as utility or phone bills or lease agreement). For minors, acceptable forms of photo identification include a current wallet-sized photo, school identification card, military identification card, or if accompanied by a parent, parent's photo identification.
3. Bring all medications you are currently taking, including vitamins and over the counter medications. If you bring a list, please make sure it is current. This will ensure your medication list is accurate and current with correct dosages and dosing instructions.
4. Please complete the attached forms prior to your arrival.
5. If you are having a problem with your shoulder please wear or bring a tank top and/or sports bra to wear during the examination. If you are having a problem with your hip/knee/foot, please bring a pair of shorts to wear during the examination.

We are pleased to be at your service.

The Team at Orthopaedic Associates
