

MONTRI DANIEL WONGWORAWAT

11406 Loma Linda Drive, Suite 218, Loma Linda, CA 92354
(909) 558-6444 · fax (909) 558-6118 · wongworawat@gmail.com

Education

- Fellowship** Joseph H. Boyes Hand Surgery Fellowship Program, University of Southern California, Los Angeles, CA
- Residency** Postdoctoral Training, Loma Linda University Medical Center, Loma Linda, CA
Orthopaedic Surgery
July 1997 to June 2001
Certification in Microsurgical Techniques, Loma Linda University School of Medicine,
Department of Orthopaedic Surgery, Loma Linda, CA
July 1997
Postdoctoral Training, Loma Linda University Medical Center, Loma Linda, CA
Surgery
July 1996 to June 1997
- Medical School** M.D., Loma Linda University School of Medicine, Loma Linda, CA
May 1996
- Undergraduate Studies** B.S., Loma Linda University College of Arts and Sciences, Riverside, CA
Biochemistry, June 1992
Honors and *Summa cum Laude*
B.A., Loma Linda University School of Business, Riverside, CA
Business Administration, June 1992
Honors and *Summa cum Laude*

Certifications and Licensures

- Board Certification** Certificate of Added Qualification in Surgery of the Hand
August 6, 2005
Diplomate, American Board of Orthopaedic Surgery
July 11, 2004
- Licensures** State of California Physicians' and Surgeons' License
Number A62977
Drug Enforcement Administration Registration
Number BW5527455

State of California Radiography and Fluoroscopy Supervisor and Operator Permit
Number RHD 160407

Appointments

Faculty Appointments

Associate Professor, Loma Linda University School of Medicine, Department of Orthopaedic Surgery, Loma Linda, CA
March 14, 2006 to present

Volunteer Faculty, University of Southern California, Keck School of Medicine, Department of Orthopaedic Surgery, Los Angeles, CA
August 1, 2002 to July 13, 2007

Assistant Professor, Loma Linda University School of Medicine, Department of Orthopaedic Surgery, Loma Linda, CA
August 1, 2004 to March 13, 2006

Instructor, Loma Linda University School of Medicine, Department of Orthopaedic Surgery, Loma Linda, CA
September 1, 2002 to July 31, 2004

Clinical Privileges

Loma Linda University Medical Center, Loma Linda, CA
August 13, 2002 to present

Los Angeles County + University of Southern California Medical Center, Los Angeles, CA
July 27, 2001 to July 13, 2007

Arrowhead Regional Medical Center, Colton, CA
December 18, 2001 to June 2, 2005

Publications and Submissions

Published: Full Length Peer Reviewed Articles

Brockardt CJ, Sullivan LG, Watkins BE, **Wongworawat MD**. Evaluation of simple and looped suture and new material for flexor tendon repair. *J Hand Surg, Br.* 2009;34:329-332.

Research Presentations

Western Orthopaedic
Association 73rd Annual
Meeting
Seattle, WA

Syed HM, Gillham S, Jobe CM, Phipatanakul W, **Wongworawat MD.** Fenestrated outflow cannulae minimize arthroscopic fluid gain. Resident Award Paper. August 1, 2009

Riedel B, Mildren M, Phipatanakul WP, **Wongworawat MD.** Evaluation of the learning curve for reverse shoulder arthroplasty. July 29–August 1, 2009

The Association of Bone
and Joint Surgeons
Kapalua, HI

Wongworawat MD, Syed HM, Gillham S, Jobe CM, Phipatanakul W. Fenestrated outflow cannulae and arthroscopic fluid gain. May 15, 2009

Loma Linda University
Department of Orthopaedic
Surgery 17th Annual
Research Seminar
Loma Linda, CA

Syed HM, Gillham SB, Jobe CM, Phipatanakul WP, **Wongworawat MD.** Fenestrated outflow cannulae minimize fluid gain in shoulder arthroscopy. May 8, 2009

Riedel B, Mildren M, **Wongworawat MD,** Jobe CM, Phipatanakul W. Evaluation of the learning curve for reverse shoulder arthroplasty. May 8, 2009

Schellack G, Afsari A, **Wongworawat MD.** Evaluation of multi-rider ATVs vs. single-rider ATVs: Primary amputations and open fracture incidence. May 8, 2009

Chen S, Mildren M, **Wongworawat MD.** The effect of insurance type on orthopaedic surgical site infections. May 8, 2009

Musculoskeletal Infection
Society Annual Session
Olympic Valley, CA

Chen S, **Wongworawat MD,** Anderson MV, Cheng WK. Diabetes is associated with increased surgical site infections in spinal arthrodesis. August 9, 2008

Bady S, **Wongworawat MD.** Effectiveness of Ioban vs. Integuseal barrier preparation for surgical sites in an ovine model. August 9, 2008

Western Orthopaedic
Association 72nd Annual
Meeting
Kapalua, HI

Sim MW, Elsissy P, **Wongworawat MD.** The effect of insurance type on delay in fracture care. July 26, 2008

Leadership Experience

Loma Linda University

Assistant Dean for Career Advisement, Loma Linda University School of Medicine, January 1, 2009 to present

Chair, Clinical Sciences Faculty Advisory Council, Loma Linda University School of Medicine
January 1, 2009 to December 31, 2010

Past-President, Neufeld Society, Alumni Association, School of Medicine of Loma Linda University
2009 to present

Assistant Chair, Department of Orthopaedic Surgery, Loma Linda University
September 1, 2007 to present

Board Member-at-Large, Alumni Association, School of Medicine of Loma Linda University
2007 to present

Alternate Representative, Compliance Liaison, Loma Linda University Medical Center
November 14, 2006 to present

Orthopaedic Residency Program Director, Loma Linda University Medical Center,
February 14, 2006 to present

President, Neufeld Society, Alumni Association, School of Medicine of Loma Linda University
2007 to 2009

Secretary/Chair-Elect, Clinical Sciences Faculty Advisory Council, Loma Linda University School of Medicine
October 11, 2007 to December 31, 2008

Course Director, Practice Management Symposium, Loma Linda University Medical Center Department of Orthopaedic Surgery
October 16–17, 2008

- Course Co-Director, Special Diagnostic Modalities in Orthopaedic Surgery, Loma Linda University Alumni Postgraduate Convention, March 2–3, 2008
- Interviewer, Loma Linda University School of Medicine, Admissions February 28, 2008
- Course Director, Practice Management Symposium, Loma Linda University Medical Center Department of Orthopaedic Surgery November 14–16, 2007
- Reviewer, Internal Residency Review for Neurosurgery, House Staff Office, Loma Linda University Medical Center July 30, 2007
- Vice-President, Neufeld Society, Alumni Association, School of Medicine of Loma Linda University 2005 to 2007
- Course Director, Grand Rounds, Loma Linda University Medical Center Department of Orthopaedic Surgery 2004 to 2007
- Alternate Delegate, Interschool Faculty Advisory Council, Loma Linda University 2003 to 2007
- Interviewer, Loma Linda University School of Medicine, Admissions January 25 and February 22, 2007
- Student Program Director, Loma Linda University School of Medicine, Department of Orthopaedic Surgery, September 1, 2002 to August 31, 2006
- Participant, Physician-Student Christian Mentoring Program, Loma Linda University School of Medicine 2003 to 2006
- Course Director, 7th Annual Hand Professorial Research Seminar, Loma Linda University Department of Orthopaedic Surgery June 15, 2006
- Interviewer, Loma Linda University School of Medicine, Admissions February 23, 2006
- Board Member-at-Large, Neufeld Society, Alumni Association, School of Medicine of Loma Linda University 2003 to 2005
- Interviewer, Loma Linda University School of Medicine, Admissions February 24, 2005

1993 to 1994

Specialty Societies

Physician Reimbursement and Coding Committee, American Society for Surgery of
the Hand
2008 to 2011

Self-Assessment Examination Committee, American Society for Surgery of the Hand
2008 to 2011

Evaluations Committee, American Academy of Orthopaedic Surgeons
February 14, 2007 to present

Lectures and Presentations

Presentations at Loma Linda University

Humerus and Elbow Anatomy, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
October 20, 2009

Nerve and Muscle Physiology, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 8, 2009

Evidence-Based Orthopaedics and Research Design, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 1, 2009

Bone Physiology, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
August 4, 2009

Principles of Coding, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 8, 2009

Evaluation and Management Services, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 1, 2009

Introduction to Orthopaedic Surgery, MedCareers Series, Loma Linda University School of Medicine,
May 4, 2009

Elbow Trauma, Loma Linda University Alumni Postgraduate Convention,
March 9, 2009

Surgical Approach to Inflammatory Arthritis of the Hand, Loma Linda University Department of Rheumatology Core Conference,
February 9, 2009

Elbow Trauma, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
October 22, 2008

Humerus and Elbow Anatomy, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 23, 2008

Muscle and Nerve Physiology, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 9, 2008

Principles of Statistics and Research Design, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
August 26, 2008

Articular Cartilage, Osteoarthritis, and Repair, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
August 19, 2008

Bone Physiology, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
August 5, 2008

Principles of Coding, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 9, 2008

Evaluation and Management Services, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 2, 2008

Principles of Orthopaedic Pharmacology, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
April 1, 2008

Malignant Bone Tumors, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
November 7, 2007

Methods of Resident Assessment, The Program Directors'/Coordinators' Education Conference, Cathedral City, CA
September 27, 2007

Nerve and Muscle Physiology, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 25, 2007

Replantation, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
September 12, 2007

Elements of Research: Study Design and Data Analysis, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 4, 2007

Principles of Coding, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 18, 2007

Evaluation and Management Services, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 11, 2007

Musculoskeletal Physical Examination, Freshmen Medical Student Small Group Session, Loma Linda University School of Medicine,
April 24, 2007

Examination of the Spine, Freshmen Medical Student Lecture, Loma Linda University School of Medicine,
April 19, 2007

Examination of the Lower Extremities, Freshmen Medical Student Lecture, Loma Linda University School of Medicine,
April 18, 2007

Examination of the Upper Extremities, Freshmen Medical Student Lecture, Loma Linda University School of Medicine,
April 16, 2007

- The Musculoskeletal System*, Freshmen Medical Student Lecture, Loma Linda University School of Medicine, April 12, 2007
- Hand Surgery Review*, Loma Linda University Division of Plastic Surgery Teaching Conference, February 28, 2007
- Anatomy of the Humerus and Elbow*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, December 12, 2006
- Carpal Instability*, Loma Linda University Division of Plastic Surgery Teaching Conference, November 1, 2006
- Elbow Fractures and Dislocations*, Loma Linda University Department of Orthopaedic Surgery Grand Rounds, October 31, 2006
- Muscle Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, October 24, 2006
- Nerve Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, October 17, 2006
- Musculoskeletal Tissues, Tendons, and Ligaments*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, October 10, 2006
- Articular Cartilage Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 19, 2006
- Bone Injury and Repair*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 12, 2006
- Bone Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 5, 2006
- E/M and CPT Coding*, Loma Linda University Department of Orthopaedic Surgery Hand Conference, August 31, 2006
- Orthopaedics*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, August 25, 2006
- Elements of Research: Study Design and Data Analysis*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, August 8, 2006
- Examination of the Musculoskeletal System*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, July 18, 2006

Principles of Coding, Loma Linda University Department of Orthopaedic Surgery
Grand Rounds,

July 18, 2006

Evaluation and Management Services, Loma Linda University Department of
Orthopaedic Surgery Grand Rounds,

July 11, 2006

Orthopaedics, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma
Linda University School of Medicine, Department of Surgery,

June 9, 2006

Physical Examination of the Shoulder, Loma Linda University Alumni Postgraduate
Convention,

March 6, 2006

Orthopaedics, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma
Linda University School of Medicine, Department of Surgery,

January 27, 2006

Humerus Anatomy, Loma Linda University Department of Orthopaedic Surgery Basic
Science Conference,

December 20, 2005

Diseases of the Musculoskeletal System, Junior Medical Student Surgery Clerkship
Core Lecture Series, Loma Linda University School of Medicine, Department of
Surgery,

December 9, 2005

Carpal Instability, Loma Linda University Division of Plastic Surgery Teaching
Conference,

November 16, 2005

Musculoskeletal Physical Examination, Freshmen Medical Student Small Group
Session, Loma Linda University School of Medicine,

October 13-25, 2005

Examination of the Lower Extremities and Spine, Freshmen Medical Student Lecture,
Loma Linda University School of Medicine,

October 12, 2005

Genetics and the Formation and Growth of Skeletal Tissues, Loma Linda University
Department of Orthopaedic Surgery Basic Science Conference,

October 11, 2005

Examination of the Upper Extremities, Freshmen Medical Student Lecture, Loma
Linda University School of Medicine,

October 11, 2005

Scaphoid Fractures, Loma Linda University Department of Orthopaedic Surgery
Grand Rounds,

October 11, 2005

The Musculoskeletal System, Freshmen Medical Student Lecture, Loma Linda
University School of Medicine,

October 6, 2005

Orthopaedics in the Neonatal Intensive Care Unit, Loma Linda University School of
Nursing,

October 5, 2005

- Muscle Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
September 27, 2005
- Journey into Medicine and Spirituality* series, Orientation to Religion and Medicine,
Loma Linda University School of Medicine,
September 14, 2005
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery,
September 9, 2005
- Cartilage Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
August 30, 2005
- E/M and CPT Coding for Hand Surgery*, Loma Linda University Department of Orthopaedic Surgery,
August 25, 2005
- Bone Physiology, Injury, and Repair*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
August 23, 2005
- Research Design*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
July 19, 2005
- CPT Coding*, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 19, 2005
- E/M Coding*, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
July 12, 2005
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery,
June 24, 2005
- Pathological Basis of Metastatic Disease*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
June 7, 2005
- Bone Forming Tumors*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
April 19, 2005
- Introduction to Orthopaedic Surgery*, MedCareers Series, Loma Linda University School of Medicine,
April 6, 2005
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery,
March 11, 2005
- Humerus Anatomy*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference,
December 14, 2004

- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, December 3, 2004
- Thumb Carpometacarpal Joint Arthritis*, Loma Linda University Department of Orthopaedic Surgery Grand Rounds, October 19, 2004
- Genetics and the Formation and Growth of Skeletal Tissues*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, October 12, 2004
- Muscle Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 28, 2004
- Nerve Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 21, 2004
- Anatomy, Biology, and Biomechanics of Tendons and Ligaments*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 14, 2004
- Transplantation of Musculoskeletal Tissues*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 14, 2004
- Cartilage Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, August 24, 2004
- Bone Physiology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, August 17, 2004
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, August 6, 2004
- Elements of Research and Statistics*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, July 13, 2004
- Examination of the Multiple Trauma Patient*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, July 6, 2004
- Principles of E/M Coding*, Loma Linda University Department of Orthopaedic Surgery Grand Rounds, July 6, 2004
- Gross Anatomy for Regional Anesthesia, Orthopaedics, and Airway Management*, Loma Linda University School of Medicine, Departments of Anatomy, Anesthesia, and Orthopaedics, June 27, 2004
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, June 25, 2004

- Sidewalk Consulting; Professional Advice Outside the Office; Course GMDE 505-B: Being a Professional in the Community, Loma Linda University School of Medicine, May 2004
- Physical Examination of the Musculoskeletal System, Freshmen Medical Student Lecture, Loma Linda University School of Medicine, March 30, April 1, and April 6, 2004
- Overview of Orthopaedic Surgery, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, March 5, 2004
- Humerus Anatomy, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, December 9, 2003
- Overview of Orthopaedic Surgery, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, November 21, 2003
- Anatomy and Physiology of Skeletal Muscle*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, November 4, 2003
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, September 26, 2003
- Peripheral Nerve Physiology, Anatomy, and Pathology*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 16, 2003
- Transplantation of Musculoskeletal Tissues*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 9, 2003
- Anatomy, Biology, and Biomechanics of Tendons and Ligaments*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, September 9, 2003
- Cartilage Structure, Composition, Function, Repair, and Osteoarthritis*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, August 19, 2003
- Bone Injury and Repair*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, August 12, 2003
- The Formation and Growth of Skeletal Tissues*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, July 8, 2003
- The Genetic Basis Of Disorders With Orthopaedic Manifestations*, Loma Linda University Department of Orthopaedic Surgery Basic Science Conference, July 8, 2003
- Overview of Orthopaedic Surgery*, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery, June 27, 2003

Orthopaedics in the Neonatal Intensive Care Unit, Loma Linda University School of Nursing,
June 4, 2003

Sidewalk Consulting: Professional Advice Outside the Office, Course GMDE 505-B: Being a Professional in the Community, Loma Linda University School of Medicine,
May 2003

Coding and Documentation, Loma Linda University Department of Orthopaedic Surgery Grand Rounds,
April 22, 2003

Physical Examination of the Musculoskeletal System, Freshmen Medical Student Lecture, Loma Linda University School of Medicine,
April 1 and 3, 2003

Overview of Orthopaedic Surgery, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery,
February 28, 2003

Overview of Orthopaedic Surgery, Junior Medical Student Surgery Clerkship Core Lecture Series, Loma Linda University School of Medicine, Department of Surgery,
October 25, 2002

Radial Head Fracture, Loma Linda University Alumni Postgraduate Convention,
March 4, 2002

Elbow Dislocation, Loma Linda University Alumni Postgraduate Convention,
March 3, 2002

Fracture Patterns, Radiologic and Clinical Correlation, Loma Linda University School of Allied Health Professions, Department of Physical Therapy,
November 18, 1998

Fracture Patterns, Radiologic and Clinical Correlation, Loma Linda University School of Allied Health Professions, Department of Physical Therapy,
October 28, 1998

External Invited Lectures

Scaphoid Fractures, University of Southern California, Department of Orthopaedic Surgery Grand Rounds, Los Angeles, CA
October 24, 2008

Orthopaedic Perspective on Surgical Site Infection Prevention, Second Hospital of Tangshan, Tangshan, Hebei, China
October 7, 2008

Orthopaedic Perspective on Surgical Site Infection Prevention, Sir Run Run Shaw Hospital Academic Week, Hangzhou, Zhejiang, China
October 17, 2007

Fractures of the Scaphoid, Riverside County Regional Medical Center, Moreno Valley, CA
March 14, 2007

T-Condylar Fractures of the Distal Humerus, Pan Pacific Hand and Upper Limb Trauma Symposium, Queenstown, New Zealand
March 8, 2007

Biomechanics and Orthopaedics, Guest speaker for *Topics in Biomechanics PHYS 486*, Department of Physics, La Sierra University, Riverside, CA
December 1, 2005

Brachial Plexus Palsy, Kaiser Permanente Orthopaedic Department Educational Meeting, Fontana, CA
February 17, 2005

Malignant Bone Tumors, Riverside County Regional Medical Center, Moreno Valley, CA
May 24, 2004

Categories of Evaluation and Management Services in Orthopaedic Practice, American Academy of Professional Coders, Inland Empire Chapter Meeting, Loma Linda, CA
May 12, 2004

Obstetrical Brachial Plexus Palsy, California Children Services, Fontana, CA
April 29, 2004

Research at Loma Linda, Kaiser Permanente Orthopaedic Department Educational Meeting, Fontana, CA
November 20, 2003

Scaphoid Fractures, University of Southern California, Department of Orthopaedic Surgery Grand Rounds, Los Angeles, CA
September 26, 2003

Orthopaedic Coding and Documentation, American Academy of Professional Coders, Inland Empire Chapter Meeting, Loma Linda, CA
April 30, 2003

Basilar Joint Arthritis of the Thumb, University of Southern California, Department of Orthopaedic Surgery Grand Rounds, Los Angeles, CA
September 20, 2002

Trapeziometacarpal Arthritis, Los Angeles City-wide Hand Conference, Los Angeles, CA
May 8, 2002

Scaphoid Fracture, Los Angeles City-wide Hand Conference, Los Angeles, CA
November 14, 2001

Community-based Lectures

Carpal Tunnel Syndrome, Inland Empire Flute Society, Redlands, CA
March 25, 2007

Joint Replacements in the Hand, Joints in Motion, San Bernardino, CA
May 12, 2005

Compression Neuropathies of the Upper Extremity, Rehabilitation Technology Works, San Bernardino, CA
January 8, 2003

Church Presentations

Final Commands, Fairview Village Seventh-day Adventist Church, Fairview Village, PA
October 3, 2009

How God Leads, Seventh-day Adventist Church of Fort Myers, Fort Myers, FL
